

Hello all.

AS discussed at the last county board meeting we are facilitating (rsa) roadside safety authority in Breffni on the weekend of 23/24 march. This is also running alongside the 10 year Christopher Sheils memorial. As agreed all clubs are to send in 20 people from each club male/or female in age range from 16-21 years old. This is the schedule of times each club is going to participate at. Should the time not suit any club maybe you could let us know and we can make alternative arrangements. The rollater event is taking place on the Sunday 24<sup>th</sup> before the Cavan vs Dublin game. THIS WILL TAKE PLACE IN THE TOP CAR PARK OF BREFFNI PARK.
